WHY THE Y?

A LONG-STANDING NOT-FOR-PROFIT

- The YMCA of Greater Indianapolis has been a part of the community since 1854, meeting the changing needs of those we serve for 160 years.
- In response to the needs of the community, the YMCA is the largest provider of school age programs in the Greater Indianapolis area.

ANNUAL CAMPAIGN

- We believe every child should have the opportunity to be in a YMCA Youth Development program, regardless of their ability to pay the full rate.
- Your child will have an opportunity to help with service projects to raise funds for this campaign, thus also teaching the importance of helping those in need.
- By contributing to our campaign, you are making an investment in the future. Please consider how you might help with this important project, such as a direct contribution and company matching programs.

SAFETY FIRST

- More than 7,000 school age children are entrusted to our care every day.
- 98% of parents surveyed last year felt their child was safe in our programs.
- We exceed state standards for staff to child ratio. Our maximum ratio is 1:15 (1:12 for 5 year olds).

TRAINED, ENTHUSIASTIC STAFF

- The YMCA takes pride in the quality of the staff in our youth programs. Our staff consists of mature and enthusiastic individuals who help us provide a quality, safe, and enjoyable program. Reference checks are conducted, documented, and filed on all employees working with children. A criminal history background check, mandatory fingerprinting, drug test, and TB test are also required.
- The YMCA of Greater Indianapolis requires all school age program staff to take CPR, First Aid, Child Abuse Prevention, and Safety and Risk Management trainings within the first 30 days of employment. Our staff are able to receive more than 100 hours of training during their first year of employment.

UNDERSTANDING SPECIAL NEEDS

- The YMCA welcomes families and children with special circumstances. We request you schedule an individual meeting with your Program Director and utilize our accomodation form to develop the best plan for your child. We will determine together what accommodations your child may need to be successful in our program.

"I love the program, as well as the staff. Everyone is always so friendly, and my daughter loves going every morning. I am very pleased. Thank you for all of your hard work and efforts in keeping the price reasonable and the kids busy/happy. Thank you!"

- 2014 Wayne Township YMCA Parent

ENRICHING CURRICULUM

The YMCA's national character building campaign pledges to incorporate the values of **CARING, HONESTY, RESPECT** and **RESPONSIBILITY** as part of all youth service programming.

Our program provides a resource-rich environment and introduces children to activities that build on what they learned during the school day. YMCA staff implement curriculum in active learning centers.

OUR CURRICULUM INCLUDES NINE CORE CONTENT AREAS:

- **Arts and Humanities**
- **Character Development**
- **Health, Wellness, and Fitness**
- **Interest Clubs**
- **Homework Support**
- **Literacy**
- **Science and Technology**
- **Service Learning**
- **Social Competence and Conflict Resolution**

The specific activities associated with these areas take place in one or more of the following contexts, each of which is balanced throughout the day or week:

- **Free Choice:** The child chooses from several activity options, ranging from center choices to staff-directed learning centers.
- **Small Group and Individual:** The activities may be initiated by the staff with the expectation that all children will work on the activity (e.g., homework or quiet time), or they may be initiated by the children themselves.
- **Project Time:** Time set aside for children or youth to begin or return to a long-term project needing specified space, materials, tools, or leadership.
- **Large Group:** Activities designed for large group participation under the leadership of a YMCA staff member (e.g., reading a book or participating in an active game, such as soccer).
- **Indoors and Outdoors:** As much as possible, and depending on the weather, we strive to balance indoor and outdoor activities. We offer a minimum of 60 minutes of physical activity and movement each day.
- **Nutritious Choices:** In support of a healthy environment for your child, a nutritious snack is served each day. The snacks we provide have no trans fats. Water is offered as the primary drink. Fresh vegetables and fruits are available. If your child has any allergies or requires a special diet, please make your Site Director aware of this.

NURTURING DEVELOPMENTAL ASSETS

YMCA staff members design our Before and After School Programs to give children the support they need to become successful adults.

In addition, the YMCA of Greater Indianapolis collaborates with The Search Institute and an independent research firm to receive annual feedback from parents with children in our programs. Survey questions focus on The Search Institute's 40 Developmental Assets model, a nationally regarded tool in assessing the outcome measurement of youth programs and activities.

- 98% of parents surveyed last year in our Before and After School programs rated their child's experience as excellent or good.

“My daughter loves going to the YMCA after school. She learns new things in a different environment than the classroom, is able to run around and play, have a snack, and interact with different kids than just those in her class. It makes me feel very comfortable having her go to the Y because she loves it so much. I am very lucky this program is offered at her school. Thank you very much!”

SCHEDULED EARLY DISMISSAL / HALF DAYS

During the school year, there may be several early dismissal or half days. On these days, the after school program will be available at your child's school from the time of school dismissal until 6:00pm.

INCLEMENT WEATHER / SCHOOL DELAYS

If the start of school is delayed, the YMCA staff will make every effort to be at your child's school by the designated start time. On these days, the staff will stay until school begins.

If school is cancelled during a morning delay, our program will move to a designated YMCA Center, or we will provide care at the school location (with school's permission) until 6:00pm. If the program is not remaining at the school site, parents will be called to pick their child up and then be given the option to transport them to the designated YMCA location.

If school is released early due to inclement weather, and it is after 1:00pm, the Y will provide staff on site until parents are able to pick up their children.

SNOW/WEATHER CANCELLATION PROGRAMS

If school is closed prior to 6:30am due to inclement weather, a program will be held at YMCA Center locations and other predetermined school sites. More specific information for program locations is available through your Site Director. Please visit our Facebook Page, "YMCA Youth Development," for the most up-to-date information!

WHAT YOU NEED TO KNOW

SIGN IN/OUT PROCEDURES

If you are new to our program, please allow extra time at drop-off and pick-up. You will be greeted by a staff member in a YMCA shirt and name tag. Upon arrival, the staff will share the sign in/out process and answer any questions you might have.

The adults (18 years or over) listed on the registration form will be authorized to pick up the child(ren) unless otherwise noted. Photo ID will be requested during pick-up.

Morning Program- For safety reasons, you must accompany your child into the program and sign them in on a daily attendance sheet.

Afternoon Program- It's important to send a note for your child's teacher on the first day. They will help make sure your child is sent to the program. Please instruct your child to go immediately to the program location to sign in, even if they are involved in another activity (scouts, clubs, etc.). Children will be signed in by a YMCA staff person.

If your child will be absent from the program, please call our office, or if applicable, your Site Director. If your child does not report to the program, and we are expecting him/her, we will check with the school office to determine if your child was at school that day. If so, we will contact you immediately.

If you have not made advanced payments and need to make arrangements for attendance, please contact our office prior to your child's next day of attendance so we can expect him/her to arrive at the program.

LATE PICK-UP

Parents who arrive after 6:00pm will be assessed a late fee of \$1 per minute, per child. After three late arrivals, we will ask that you make other arrangements. If a child has not been picked up by 7:00pm, and no authorized contact person has been reached, the staff will follow the YMCA safety policy and procedures and contact the local police.

LATE PAYMENTS

Weekly payments must be paid by the Friday prior to the week your child attends the Y program. Monthly payments must be paid on the 1st of each month. Late payment fees of \$10 per child will be assessed if the program payment deadlines are missed.

“The staff at the Y are wonderful, patient, and considerate. I am comfortable speaking with them about my child. If there is a behavior issue, it is communicated immediately to us and together, we address the situation. We appreciate and respect them and the program they provide. Thank you!”

WHAT YOU NEED TO KNOW

MEDICATION POLICY

Any medication given to your child at the program site must be in its original container with your child's name on it. A Medication Release form must be completed and signed with the following information:

1. Child's name
2. Type of medication
3. Physician's name
4. Amount of dosage to be given
5. Time to be given
6. Number of days to be administered
7. Possible side effects

Please note, YMCA staff are not permitted to give the first dosage of any medication. Staff may dispense only prescription medication. If your child refuses medication, we will contact you for further instructions.

SICK OR ILL CHILDREN

If your child is ill and will not attend the program, please contact your Youth Development office and your Site Director.

Any child displaying symptoms such as fever, rash, diarrhea, or vomiting will be removed from the group and comforted. We will ask you to make arrangements to pick up your child as quickly as possible. Weather permitting, children will have a chance to play outside. Due to ratios, if your child is unable to be outside due to illness, we may not be able to accommodate this request.

CONTAGIOUS DISEASES

If your child has a confirmed case of a contagious disease, he/she must be kept at home. Please contact the Youth Development office regarding the illness so a general notice (all names will be kept confidential) can be posted at the program location. At the discretion of the Program Director, we may ask you to submit a doctor's statement prior to your child returning to site. The following conditions are categorized as "highly contagious":

- Strep Throat
- Measles
- Mumps
- Chicken Pox
- Diarrhea
- Scarlet Fever
- Pinworms
- Viral Infections
- Impetigo
- Head Lice

HEAD LICE

If head lice are detected while your child is attending our program, we ask that you pick them up immediately. A child with head lice is allowed to return to the program after treatment. Evidence of treatment includes no lice or nits, clean hair and scalp, and a note from you or a physician stating the treatment used.

ACCIDENTS & INJURIES

The safety of the children in our care is our top priority. Even with watchful eyes, young children are often testing their physical limits, making injuries inevitable. With minor accidents, YMCA staff will verbally inform you at pick-up time. In the event of a medical emergency requiring a doctor's treatment, we will contact you immediately. If we cannot make contact with a parent, emergency personnel will take the child to the emergency room via ambulance. At all times, there will be a YMCA staff person on site who is trained in First Aid and CPR.

OTHER EMERGENCIES

In the event of a fire, tornado, natural disaster, or other related emergency situations, our YMCA staff will follow the school system or YMCA Center established plans.

STAFF RELATIONSHIPS WITH CHILDREN OUTSIDE THE YMCA SETTING

Staff members are not allowed to be alone with children they meet in YMCA programs outside of the YMCA program setting. This includes babysitting, sleepovers, and inviting staff members to children's homes. Exceptions may be made only if one or both of the following conditions exists:

1. Staff and child's family have a relationship that predates the staff member's employment or child's enrollment in the YMCA program.
2. Staff and the child's family are related.

If you observe any infractions of this policy, please contact our office immediately.

YMCA YOUTH DEVELOPMENT BEHAVIOR MANAGEMENT POLICY

Our top priority is to provide a safe and enriching experience for all children. To do this, we must work together to develop the best plan for each individual child. In order to ensure this positive environment, we may not be able to serve children who repeatedly display disruptive behavior. Disruptive behavior is defined as verbal or physical conduct which requires constant attention from the staff including, but not limited to: hitting, kicking, spitting, hostile verbal behavior, other behaviors which will hurt another child or staff member, and attempting to leave the program space.

In response to these behaviors, we will not use:

- Threats or bribes
- Physical punishment, even if requested by the parent
- Deprivation of food or other basic needs
- Humiliation or isolation

YMCA Program Expectations

- Speak for yourself
- Listen to others
- Use put-ups; not put-downs
- Care for others, the property, and yourself
- Be honest
- Show respect for all
- Be responsible for yourself
- Do unto others as you would have them do unto you

In response to misbehavior, we will:

- Respect your child
- Establish clear rules
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Speak calmly while bending down to your child's eye level
- Give clear choices
- Redirect your child to a new activity

Our goal is to work together with the child and family, as well as the school personnel when deemed necessary, to address and modify any behavior concerns; however, if a child cannot display appropriate behavior, then he/she may be removed from the program. A child may receive up to three written behavior reports. After a third written report is received, the child may be removed from the program until a parent conference is held. The parent conference may include the parent/guardian, program director, site staff, and the child. The child may be allowed to return to the program after the parent conference and a behavior improvement plan is developed. If a child receives a fourth written warning we may ask the family to make alternative child care arrangements for the remainder of the current school year. Please note that all behavior management plans are based on the individual child and situation, and we reserve the right to adapt procedures accordingly.

The YMCA of Greater Indianapolis will make every effort to reasonably accommodate children with disabilities into programs and activities. YMCA staff will work closely with parents/guardians and other professionals to carefully meet and respond to the unique needs of children and families, including but not limited to identifying and removing barriers to participation and using developmentally appropriate practices to provide an inclusive and safe environment.

Occasionally, despite program modifications and efforts to accommodate children, it may be determined that YMCA programs are unable to meet the needs of a child. If a child's participation poses a significant risk to the health or safety of self or others, which CANNOT be lessened by modifications in policies, practices or procedures, or the provision of services, a child may be removed from the program.

As a parent/guardian, you may have some concerns or wish to offer suggestions. Using the lines below, we may modify the above plan with agreed upon suggestions. (Please attach more documentation if needed)
