

Hendricks Co. Head Start

Head Start is a federally funded, income-based preschool program for children ages 3 – 5. Head Start recognizes parents/guardians as the child's most important teachers. Education, health services, social services, and parent involvement are the major components of its programming.

Two of our Head Start programs have no cost and two Full Day/Full Year programs have a fee.

The Hendricks County Head Start Center is located at 20 S. Co. Rd. E. in Danville. **Applications are accepted year round.** If you have any questions call the center at 745-1650.

Hendricks County Head Start

Head Start is a
preschool for
children 3-5 years
that meet the
income eligibility
requirements.
