

Has a Class that's Right for You!

For Newborns through New Walkers

Whether your child is a newborn or beginning to take his first steps, our baby class is right for you! With age-appropriate activities for infants, crawlers, and early walkers this parent-child music and movement class will help you strengthen those early parent-child bonds, understand your baby's development, and focus on communication with your little one.

For Confident Walkers through Early Preschool

You'll love how your toddler or early preschooler blossoms musically, developmentally, and emotionally in this class. We'll be singing & dancing together, listening wide-eyed to interesting sounds and rhythms, and exploring and playing all kinds of instruments. Older and younger siblings are also welcome to enroll in our Kindermusik Wiggle and Grow Family class- turning Kindermusik time into family time.

For Older Preschool through Kindergarten / First grade

Here's the perfect outlet for your big kid's creativity! He'll develop language, social-emotional skills, early math and literacy, physical coordination, and more as we exercise our voices, play percussion instruments; and investigate the music of other cultures. Plus, your big kid will be introduced to influential composers while learning the basics of reading music.
