Thanks to our parents who send us such wonderful students. We appreciate the myriad of ways you support not only your children but all children. Volunteering in the classroom, donating to various projects, monitoring homework, attending extra-curricular activities and encouraging staff members are just a few reasons we are grateful to you.

We thank our community for its monetary and moral support. Our partnership is strong and growing stronger.

Finally, my personal thanks to our extraordinary ACSC staff. Whatever your role or department, your commitment to our students is inspiring. Thank you for dedicating your work life to public education.

Best wishes for a safe and rejuvenating summer!

As always, feel free to email me at mehoernemann@avon-schools.org.

Sincerely,
