I DID IT!

Draw a picture of 1 item that has your sound. Say the item 5X.

See how many times you can correctly say your sound in 20 seconds.

Concentrate on saying your sound all day. Correct your sound 2X during the day.

Think of 2 food items that have your sound. Say each of the items 5X.

Find 3 items in your kitchen that have your sound. Say each of the items 5X.

Draw a picture of 2 items that have your sound. Say each item 5X.

Correctly say your sound 20 times. See how long it takes you.

Concentrate on saying your sound all day. Correct your sound 2X during the day.

Think of 2 animals that have your sound. Say each of the animals 5 times.

Find 3 items in your bedroom that have your sound. Say each of the items 5X.

Draw a picture of 3 items that have your sound. Say each item 5X.

See how many times you can correctly say your sound in 30 seconds.

Concentrate on saying your sound all day. Correct your sound 3X during the day.

Think of 2 toys items that have your sound. Say each of the items 5 times.

Find 3 items in your family room that have your sound. Say each of the items 5X.

Draw a picture of 4 items that have your sound. Say each item 5X.

Correctly say your sound 30 times. See how long it takes you.

Concentrate on saying your sound all day. Correct your sound 3X during the day.
