

# Game Summary

**Mooreville vs. Avon**

**8-31-15**

The Lady Orioles headed to Mooreville for a non-conference match-up on Monday night. The Varsity game ended in a 1-1 tie. Avon dominated in shots 21-4 but were unable to finish opportunities until Jenna Miller stepped up in the 79th minute and finished off a cross from Rachel Vernon. Great response after giving up a goal 6 minutes earlier. The match was very physical with both teams playing hard to try and get the go ahead goal. This match was a good challenge for us and shows that we still have some work to do to reach the level that we want to be at. We look forward to getting back to HCC play on Wednesday at Hamilton Southeastern.

The Avon JV Girls team got its second shutout win of the season against Mooreville last night with a final score of 4-0. Scoring in the first 5 minutes was Bria Burke as she followed a shot near the back post and put it in. Chloe Nirrengarten also scored during the first half as she took a shot about 40 yards out. Abby Cullen played some nice corners throughout the game. Maddie Holmer was able to get on the other end of one and put one in, giving Abby the assist. The last goal of the game came from Claire hustling in the final third to put a shot on frame that the keeper was unable to handle, giving her her 3<sup>rd</sup> goal of the season. Three players, Bria, Chloe, and Maddi H. with their first goal of the season; nice work ladies! Defense looked strong and keepers Ashley Miller and Savannah Embry split the shutout victory against the Pioneers.
