

Clever Apps

- Click on Clever app Icon posted on the District and School Student Webpages to access any app listed below.
 - Sign in following directions below.
 - Once signed in, you will only see the apps you can access. If app is not on the list, you are not currently a member.
 - If you believe you have access to an app that is not on your list and have been an ACSC student or staff member for 24 hours, please contact the helpdesk.
 - **Teachers**
 - Username – network username (i.e. jmdoe)
 - Password – network password
 - **Students**
 - Username – student ID number only (i.e. 40054321)
 - Password – network password
-
- Once signed into one app, you can click on Clever tab in your browser to launch any other app in the list. Each app will launch a new browser tab.
 - If you restart or shut down your computer, you will be asked to login again.

Teachers can copy the Clever Link and post in Schoology for easier access for your students

TROUBLESHOOTING TIPS:

- If Clever doesn't launch the log in page, try a different browser (i.e. Chrome, Firefox, Edge).
 - If new browser works, clear the history for browser that didn't work. Click [HERE](#) for directions.
 - If new browser doesn't work, make sure you have the popup blocker off or "allow popups from Clever". Click [HERE](#) for directions.
- If you have more than one person using the same laptop:
 - Launch a separate browser for each user
 - OR....
 - Launch an incognito or private window. To do so, click on the menu (top right dashes or dots) and choose incognito, inprivate or private window.
