

I am very excited to get back to school! I have missed not being in the classroom and being with students. This will be my seventh year with Avon Community Schools. I graduated from Saint Mary-of-the-Woods College with a Bachelor of Science degree in elementary education with a kindergarten endorsement.

In my free time I enjoy spending time with my family. We enjoy camping, boating, and just being outdoors.

Most of all, I love to teach, and hope to get your child to love learning.
