

SCIENCE OLYMPIAD

We want YOU!

Who are we?

We are a club that keeps science fun and engaging by competing against other schools in 23 events, including chemistry labs, studying anatomy, and even building mousetrap-powered cars!

Call-Out Meeting

Join us after school on August 29 in room D212 for an informational meeting! There's no commitment, so come see if you like it!

Open to ALL
grade levels!

Travel

Battle other high schoolers in competitions around the state for the glory of first place in a wide range of events!

Our competitions are laid back, with plenty of downtime for snacking and hanging out with your friends!
