

"Children are made readers on the laps of their parents"

Hello Families,

I am attaching our first order sheet for Scholastic Book Orders.

Each month, I will give you suggestions for ordering by circling appropriate books, so it is not so difficult to decide what would be a best fit book. I also try to circle good deals on collections of books.

If you happen to get a book that is too difficult for your child, no worries! Reading TO your child is just as important as them reading to you. You are promoting fluency (the flow and rhythm of reading) and modeling appropriate reading habits.

If we are able to have a \$300 order in September, we will get 10,000 bonus points to purchased books for our library, and books on cd so that your children can hear fluent readers and learn how to become fluent themselves. This is incredibly important to have authentic texts in our room. This will allow us to purchase about 20-30 new books for our classroom!

How do I pay?
