

Download the [StudentSquare](#) Mobile App

Notification Settings – Set Your Preferences: Click [HERE](#)

Download the FREE StudentSquare app for iOS or Android. This is the easiest way for Students to receive all Posts, Events, Sign Up Requests, Photos and Files. Students can enable text notifications when a message is posted.

iOS App - [iOS App Store](#)

Android App - [Google Play Store](#)

Use the camera on your phone to scan these QR codes - it takes you directly to the App or Google Play store.
