

Snap&Read & Co-Writer Chrome Extension Install for Personal Computers

NOTE: Install links are blocked on campus – install from personal wifi on personal laptops at home.

If install is needed on school owned laptop, ask teacher to submit a help desk ticket on your behalf and provide laptop name (sticker on bottom of device).

To install the extension, open Chrome browser, click on the menu (3 dots on top right), more tools, extensions and then browse for Snap&Read and Co-Writer.
