

Snap&Read & Co-Writer Chrome Extension Setup

SNAP&READ:

- Open Google Chrome Browser.
- Click on Snap and Read extension icon on top right side. 
- It should launch a login page (if you don't see it, minimize the browser page and see if it is hiding).
- Click on "Sign in with Microsoft"
 - Username is STUDENTID@students.avon-schools.org
 - Password: Grades K-4 = STUDENT ID, Grades 5-12 = Self-created
- Click on the Snap&Read icon. 
- Select "Options" to setup your preferences.
- Toggle all options on the right to "on".
- Translate into: choose a foreign language if applicable.
 - Will only read text aloud for a few languages: Spanish, French, Latin and German.
- Left menu preferences:
 - Select whether you want a male or female voice.
 - Slide speed option all the way to the left and test out (may want to make it faster later).

CO-WRITER:

- Click on Co-Writer extension icon on top right side of Chrome browser. 
- Follow same steps above to toggle on all features.
