

# BOUNDARY ADJUSTMENT

September 3, 2020

*Welcome!*

*Thank you for volunteering!*

# GOAL:

To provide equitable educational experiences to all of our elementary students by:

- Moving as few children as possible
- Balancing school sizes
- Creating elementary schools with similar f/r ratios
- Maintaining neighborhoods

# Current Elementary Structure

Avon has seven elementary schools of various sizes:

- Seven section elementary schools:
  - Cedar (693)
  - River Birch (777)
- Four to five section elementary schools:
  - Hickory (472)
  - Sycamore (478)
- Three to four section elementary schools:
  - Maple (376)
  - Pine Tree (337)
  - White Oak (314)

# New Elementary Configuration

## Four to Five Section Elementary Schools:

- Hickory
- Pine Tree
- Sycamore

## Five to six section elementary schools:

- Cedar
- Maple
- River Birch

# Current Map

The current boundaries were drawn for the purpose of balancing demographic structures. This included the free/reduced lunch rates and ethnicity factors.

# Current Free and Reduced Rates

The spread or range for F/R in Avon is just under 20%

	2010	2020
Cedar	19%	→ 37.2%
Hickory	25%	→ 31.4%
Maple	30%	→ 47.4%
Pine Tree	25%	→ 38.1%
River Birch	19%	→ 28.4%
Sycamore	23%	→ 29.8%
White Oak	18%	→ 41.4%

# NEXT STEPS:

1. Determine best meeting times for the group
2. Review possible options
3. Begin giving feedback and input into new boundaries
