

**You've been hearing about Schoolology from your student \_\_\_\_\_, now it's time to create a Parent account:**

If you don't already have a Schoolology account, go to [www.schoolology.com](http://www.schoolology.com) and click on the Sign Up button on the top menu (or go to [www.schoolology.com/register](http://www.schoolology.com/register)).

- 1. Click on the Parent button.
- 2. Enter your Access Code:
- 3. Fill out the form with your information.
- 4. Click Register to complete.

Sign up for Schoolology

- 5. When you use a Parent Access Code to create an account, you will be automatically associated to the student. To associate additional students to your account, click on the [Add Child](#) button in your Schoolology account.
- 6. **Note:** If your children attend different schools that are not in the same district (or are not part of the same Schoolology Enterprise account), you will see the following error message when you attempt to use the **Add Child** button to link your account to their's:
- 7. Parents must have an account at each of their children's schools. For example, if a parent has one child at a High School, and one child at a Middle School, the parent must have accounts at both schools, and use the [linking feature](#) to toggle between accounts. The feature allows each school to manage your parent account settings appropriately, and to communicate with you seamlessly.
