

AVON COMMUNITY SWIM TEAM

DEVELOPMENTAL SWIM LESSONS BEGINS

ACST is proud to announce that its developmental program (swim lessons) is in full gear. Our program not only focuses on Water Safety but also on how to have FUN in the water. ACST also offers one of the best competitive swim clubs on the Westside of Indy.

- Classes typically meet Monday, Wednesday & Thursday unless there is a scheduling conflict from 5:30-6:30pm
- Each session is four weeks; except for the Sept. 26th session.
- Evaluation process (scheduled before a session starts) places your child into a group that fits their level of comfort in the water and their knowledge of the swimming strokes
- Open to kids ages 5 through High School
- The cost of our program is \$75 a month and an annual learn-to-swim insurance fee of \$10

For more experienced swimmers, we offer a competitive team with a variety of levels from Bronze (beginner) through Seniors (High School). Practices are offered Mondays-Saturdays with times and fees varying by group. You can rest assured knowing your child is coached by some of the best in the sport.

We hope to see you at the pool!

For returning swimmers, registration is on the first day of the session and they will resume where they left off from previous sessions.
