Give new life to an old instrument!

REVIVE THE MUSIC - SAVE A MUSICAL INSTRUMENT

Donate new or used instruments!

Used instruments may be dropped off at the Administration Center any time during regular business hours, 7:30 a.m. to 4:00 p.m.
Monday through Friday.

All instruments gladly accepted!

In these difficult economic times, there are increasing needs in our schools. One specific need is for musical instruments for beginning level students who cannot afford to rent or purchase one. Avon has few instruments to lend to beginner students and need is beginning to exceed resources.

Thank you for helping ensure that no child is left out!
