Hickory Veterans Day Program
Tuesday, November 11th @ 1:30pm

All parents are invited to join our students on Tuesday, November 11th at 1:30 p.m. in the Hickory gymnasium for a special program to honor the men and women who have served in the armed services. We are asking all students to wear red, white, and blue in honor of our veterans.

If you have a friend or family member who is a veteran, we hope that you will invite him or her to be our guest at the program. Please print and fill in the star below with information about any veteran that is in your family or is a friend. Return the star to your child’s classroom teacher or the Hickory office. It will be posted on a special bulletin board designated to acknowledge our veterans here at Hickory.

Visiting veterans will be introduced during the Veterans Day program on November 11th. Reserved seating will be available to our veterans and their families during the program. All Hickory students will be performing. We look forward to a wonderful and memorable program to honor those who have served our country.
