

A Message from Superintendent Hoernemann

Welcome to Avon Community School Corporation. We consider it a privilege to serve nearly 8,800 students in 12 school buildings. It is our goal every day to ensure that every child is in an environment that promotes educational growth.

During this first year as Avon Community School Corporation's superintendent, it was a priority to go on a listening tour to hear what's on your mind. Staff meetings, weekly lunches with students, roundtables with parents and other citizens of Avon provided great opportunities to learn. In addition I have talked to community leaders, realtors, retired teachers, the Chamber, Rotary, and Tri Kappa. These conversations will continue as the Listening Tour moves forward.

The fresh ideas, constructive criticism and insightfulness you shared throughout this process is certainly appreciated. The notes from these encounters helped formulate a snapshot of what ACSC is exceptional at and how we can grow. Over and over again you said that this is a great school district and our teachers are highly respected for their outstanding efforts with our children. All staff members – whatever their roles – are known to put students first. In addition, you expressed that we should continue to improve our communications with the public we serve.

I have shared your thoughts with the ACSC staff as we work for what is best for our students.

I am listening and want to hear from you. Feel free to email me at mehoernemann@avon-schools.org.

Next month we will update you on the District's Strategic Plan.

Sincerely,

Margaret Hoernemann
Superintendent

"Effective leaders speak to influence and motivate. Exceptional leaders listen to learn."

Kevin Cashman
