

Athletic Eligibility

A Basic Guide for Schools, Students and Parents

To Students

Your high school years will provide some of the most memorable and enjoyable moments you will ever experience. Competition in interschool athletics is a once-in-a-lifetime experience, which will influence you forever.

Your participation in high school athletics is dependent on your eligibility.

Keep that eligibility. Read the following summary of Indiana High School Athletic Association rules which govern your participation.

Review the rules with your parents/guardians. Ask questions of your principal, athletic director/s and coaches.

To Parents

The value of participating in athletics has been well documented. Participants earn better grades, have better attendance and have a greater chance for success in later life than non-participants.

Students must meet certain standards in order to maintain the privileges of competition.

Review the following rules with your son or daughter. Your role in stressing and supporting the value of following these rules cannot be emphasized enough.

From the IHSAA

The Indiana High School Athletic Association has been the governing body of high school athletics in our state since 1903.

Your school is a voluntary member of the IHSAA and has agreed to follow its rules. Both your school and the IHSAA believe in equal competition among schools and the close relationship between academics and athletics.

The IHSAA rules listed in this brochure are only a summary of some of the regulations affecting student eligibility. All rules are found in the IHSAA By-Laws and Articles of Incorporation. Your principal and athletic director/s have copies and an on-line version also is located at www.ihsaa.org
