YES

Congratulations, you will receive a varsity letter/chevron for the 2020 season! ***See note***

Note: The awarding of this letter was based on a decision made by the athletic department to provide any junior within said program the ability to purchase and wear a letterman jacket for their senior year of high school. Had they been grouped contingent upon next season they would not have the opportunity to buy a jacket during their time at Avon HS. Please note that the awarding of this letter/chevron does not guarantee a position on next year's varsity roster.
